

Workshop on Hadron Production Measurements with Nuclear Emulsions

Monday 3 October 2016

Hadron Production Measurements - ES635 KMI Science Symposia (15:50 - 17:20)

-Conveners: Akira Konaka

time	[id] title	presenter
15:50	[13] Current hadron production program (NA61)	PAVIN, Matej
16:20	[11] Tau-neutrino production study in 400GeV/c proton-Tungsten interactions	ARIGA, Tomoko
16:50	[10] Hadron production measurements (2-10GeV/c) in lead with emulsion	MIZUSAWA, Hajime

Tuesday 4 October 2016

Hadron Production Measurements - ES635 KMI Science Symposia (09:00 - 09:50)

-Conveners: Osamu Sato

time	[id] title	presenter
09:00	[12] hadron production measurement project	SEKIGUCHI, Tetsuro
09:30	[15] Hadron production measurements with emulsion in the midair	KAWAHARA, Hiroaki
