

# Accelerating Universe in the Dark

## Monday 04 March 2019

### Afternoon session 2 (contd) - Yukawa Institute for Theoretical Physics (15:10-16:25)

time	[id] title	presenter
15:10	[10] (invited) Cosmological Observations and the Multiverse	NOMURA, Yasunori
15:45	[11] Particle production and Gravitational waves with Primordial SU(2) gauge fields	MALEKNEJAD, Azadeh
16:05	[12] A model of dark energy spatially varying on very large scales	YAMAMOTO, Kazuhiro
