

## Prospects of Neutrino Physics

Contribution ID: 15

Type: **not specified**

### **Results and Prospects for Atmospheric Neutrinos at Neutrino Telescopes**

*Tuesday, 9 April 2019 10:00 (30 minutes)*

Prospects for atmospheric neutrino measurements at neutrino telescope experiments (IceCube, ANTARES, KM3NeT) will be discussed

**Presenter:** ROTT, Carsten (Sungkyunkwan U.)

**Session Classification:** Prospects of Neutrino Physics
