Your Privacy

Please be noted that all the BEAUTY sessions of the year will be **RECORDED**, and the video clips will be uploaded to Google Drive for the future reference by the attendants.

During a plenary session(s), we take some screenshots of the Zoom window as a “group photo”. It will be uploaded to the conference website.

If it is unpreferable with you, we ask you to turn off the camera.

Instructions for Audience

Keep your microphone **MUTED** always during the session.

After each presentation, the session chair asks if there are questions from the audience. If you have a question use the Zoom 'raise hand' function. When invited by the chair, unmute your microphone and speak. After the question is over, mute your microphone again.

Questions that cannot be asked in the session may be emailed to the speaker.

Instructions for Speakers

Upload the talk slides **24 HOURS BEFORE** the presentation.

The slides can be uploaded from

<https://indico.ipmu.jp/event/320/timetable/#all.detailed>

Click “Login” at the top-right corner in the browser window, and then, provide the credentials emailed before.

In the case of problems, **the stream secretary standing by in the virtual room assists you.**

Connect to the Zoom virtual room of the session of the talk **10 MINUTES BEFORE** the session starting time. Mute your microphone. Exercise desktop sharing in Zoom.

Stay within the allocated time as the program is very busy.

Proceedings

The proceedings of the conference will be published in Proceedings of Science, PoS, (<http://pos.sissa.it>).

The International Organizing Committee will oversee refereeing process.

Shortly you will receive a mail with more detailed instructions from the PoS server.
