

Particle Acceleration in Solar Flares and the Plasma Universe – Deciphering its features under magnetic reconnection

Contribution ID: 59

Type: **Invited talk**

Numerical approaches for the understanding of particle acceleration during magnetic reconnection

Wednesday, 17 November 2021 08:30 (30 minutes)

TBD

Primary author: TAKASAO, Shinsuke (Osaka University)

Presenter: TAKASAO, Shinsuke (Osaka University)

Session Classification: Day 3 / Session 1
