

# Particle Acceleration in Solar Flares and the Plasma Universe -- Deciphering its features under magnetic reconnection

## Wednesday 17 November 2021

**Day 3 / Session 3 (11:30-13:00)**

**-Conveners: Mitsuo Oka**

time	[id] title	presenter
11:30	[43] The role of plasma physics, shocks, and magnetic fields in the intra-cluster medium	SIMIONESCU, Aurora
12:00	[38] Solar Spectroscopy in X-rays and EUV, and Future Prospects	CASPI, Amir
12:30	[56] Particle acceleration in the Earth's magnetotail	ØIEROSET, Marit
