

# Particle Acceleration in Solar Flares and the Plasma Universe -- Deciphering its features under magnetic reconnection

## Thursday 18 November 2021

**Day 4 / Session 1 (08:00-09:30)**

**-Conveners: Taro Sakao**

time	[id] title	presenter
08:00	[25] Magnetic reconnection in the partially ionized low solar atmosphere	NI, Lei
08:30	[45] Accelerations of energetic electrons in the Earth's inner magnetosphere: Arase observations	MIYOSHI, Yoshizumi
09:00	[27] Magnetic Reconnection and Electron Acceleration: Recent Insights from Microwave Imaging Spectroscopy Observations of Solar Flares	CHEN, Bin
