

Kashiwa-no-ha Dark Matter and Cosmology Symposium (Satellite workshop of COSMO 2024)

Monday 28 October 2024

Numerical Cosmology: Plenary 8-9 - Lecture Hall (15:30 - 16:30)

-Conveners: Elisa Ferreira

time	[id] title	presenter
15:30	[66] Backreaction and Cosmic Butterflies: what simulations can tell us about inflation	CARAVANO, Angelo
16:00	[67] Can we see extragalactic carbon monoxide in the CMB?	KOKRON, Nickolas

Tuesday 29 October 2024

Numerical Cosmology: Parallel C - Seminar Room A (15:30 - 16:30)

-Conveners: Joaquin Armijo

time	[id] title	presenter
15:30	[92] The interplay of massive neutrinos and dark matter in large-scale structure	BAYER, Adrian
15:45	[93] Structure formation in spin-1 and spin-2 ULDM	LOPEZ SANCHEZ, Jessica Nayely
16:00	[94] Smashing spin 2 ultra-light dark matter solitons	URBAN, Federico
16:15	[95] Simulations of Non-Spherical Primordial Black Hole formation	ESCRIVA, Albert
