

Mentoring Program of HLFF

HLFF Inspiring Minds Mentor 2024, 2025

Yukari Ito

HLF=Heidelberg Laureate Forum

- One week in September in Heidelberg, Germany.
- 200 young researchers (Mathematics & Computer Science)
- Lectures and Panels, Master Classes and Workshops with Laureates of the Fields Medal, Abel Prize, Turing Award, and other major prizes.
- Poster session, Career Guidance etc.

For Alumni of HLF

- HLF Foundation (HLFF) is driven to cultivate a community of alumni that are supported by career development, **mentoring programs**, workshops, interactive get-togethers, interviews and blog posts.
- I did HLFF Inspiring Minds Mentor in 2024 and 2025.
Mentees: a woman in Pakistan & a man in Philippines.
