

Session Program

7-8 Jul 2026

宇宙創生の物理法則はなにか？ - 理論・観測・実験の融合
によるスケールを超えた挑戦 **What is the physical
mechanism of the origin of the Universe? -
challenges over tran scending scales through
the integration of theory, observations, and
experiments**

Day 2 afternoon2

The University of Tokyo, Koshiba hall

Wednesday 8 July

15:20

Day 2 afternoon2: Day 2 afternoon2

Session | **Location:** The University of Tokyo, Koshiba hall

15:20–15:45 **B02 CMB**

Speaker

Yuki Sakurai

15:45–16:00 **Developing fast and accurate methods for CMB lensing**

Speaker

Toshiya Namikawa

16:00–16:15 **Closing remarks**

Speaker

Hitoshi Murayama

16:20
