

Open Meeting for the Hyper-Kamiokande Project

Contribution ID : 9

Type : **not specified**

Goals of the meeting

Wednesday, 22 August 2012 11:20 (20)

In the opening session, I'd like to give a kind of guideline of discussions in the meeting. First goal is to form active working groups for each development works including physics potential studies. Proposal for the organization structure and timeline will be given. I'd like to also present future prospect of the project in terms of forming international collaboration, budget request, etc.
